

MedPro Safety Products (MPSP)

Company Overview

Founded in 1995, MedPro Safety Products, Inc has developed and acquired a portfolio of patented medical device safety products incorporating proprietary needlestick prevention functionalities. Located in Lexington, Kentucky, MedPro has entered into development and distribution agreements that will allow it to capitalize on its passive technology. The Company is ISO 13485 certified. MedPro's core focus, sharps injury risk reduction, is highly competitive and MedPro's product offerings focus on new "passive" technologies that raise the level of safety for the healthcare worker. MedPro's product portfolio and intellectual property include four divisions: Pharma, Phlebotomy, Clinical, Intravenous. MedPro is traded on the OTCBB, under the ticker symbol MPSP.
