

### Company Overview

Issuer Direct has a long-standing history as a market leading regulatory compliance specialist and innovator of corporate issuer services.

Our strong issuer services focus allows us to alleviate the complexity of maintaining compliance through integrated back-office systems and services. We enable our corporate issuers to produce, distribute and communicate their financial and business communications online and in print, in order to uphold their corporate responsibility.

Issuer Direct is licensed by the SEC, Depository Trust and FINRA (formerly NASD) to disseminate, communicate and solicit on behalf of our clients, and do so while combining state of the art technology with superior customer service, education, and project management to create meaningful value for our clients.
